

Webelos Outpost Program

At the close of each Camp session the Webelos are invited to stay an additional night to experience the Webelos Outpost program. The Webelos Outpost is geared as the next step for Webelos Scouts and their adult partners to prepare them for attending 5th grade Webelos Camp the following summer. All of the activities offered during the outpost are geared specifically for Webelos.

At the close of your Camp sessions while the Tiger, Wolf and Bear Cubs pack up their gear and head home the Webelos will be packing for their extra day of fun.

Everyone participating in the Webelos Outpost Program will need to bring a small day-pack to carry all of their equipment to the upper level of camp. You will be camping in backpacking tents.

We require a minimum leadership ratio of 1:2 for the overnight program. Trained camp staff will be with Outpost participants at all times. The Webelos Outpost is an additional \$35 per person which includes two meals, Webelos Outpost segment for your camp patch and all program activities.
